

ARG58979
anti-OTC / Ornithine Carbamoyltransferase antibodyPackage: 100 µl
Store at: -20°C

Summary

Product Description	Rabbit Polyclonal antibody recognizes OTC / Ornithine Carbamoyltransferase
Tested Reactivity	Hu, Ms, Rat
Tested Application	WB
Host	Rabbit
Clonality	Polyclonal
Isotype	IgG
Target Name	OTC / Ornithine Carbamoyltransferase
Species	Human
Immunogen	Recombinant fusion protein corresponding to aa. 215-354 of Human OTC / Ornithine Carbamoyltransferase (NP_000522.3).
Conjugation	Un-conjugated
Alternate Names	Ornithine transcarbamylase; OCTD; EC 2.1.3.3; Ornithine carbamoyltransferase, mitochondrial; OTCase

Application Instructions

Application table	Application	Dilution
	WB	1:1000 - 1:4000
Application Note	* The dilutions indicate recommended starting dilutions and the optimal dilutions or concentrations should be determined by the scientist.	
Positive Control	Rat intestine	
Observed Size	40 kDa	

Properties

Form	Liquid
Purification	Affinity purified.
Buffer	PBS (pH 7.3), 0.02% Sodium azide and 50% Glycerol.
Preservative	0.02% Sodium azide
Stabilizer	50% Glycerol
Storage instruction	For continuous use, store undiluted antibody at 2-8°C for up to a week. For long-term storage, aliquot and store at -20°C. Storage in frost free freezers is not recommended. Avoid repeated freeze/thaw cycles. Suggest spin the vial prior to opening. The antibody solution should be gently mixed before use.
Note	For laboratory research only, not for drug, diagnostic or other use.

Bioinformation

Gene Symbol	OTC
Gene Full Name	ornithine carbamoyltransferase
Background	This nuclear gene encodes a mitochondrial matrix enzyme. Missense, nonsense, and frameshift mutations in this enzyme lead to ornithine transcarbamylase deficiency, which causes hyperammonemia. Since the gene for this enzyme maps close to that for Duchenne muscular dystrophy, it may play a role in that disease also. [provided by RefSeq, Jul 2008]
Calculated Mw	40 kDa
PTM	Acetylation at Lys-88 negatively regulates ornithine carbamoyltransferase activity in response to nutrient signals. [UniProt]
Cellular Localization	Mitochondrion matrix. [UniProt]
